Changing Lives - One Community At A Time

dfree® & DST In Action...  
2018 – 2019 Partnership Approach

The purpose of the partnership is to **promote debt reduction, financial education, asset building, reaching economic goals, and self-sufficiency for individuals.** This begins with a **basic understanding of reducing one's debt and managing one's credit.**

We will partner to **provide digital tools, quality educational materials, and resources to help individuals enhance their money management skills.**
