Content as of May 10, 2020. The information provided herein serves as a non-exhaustive list of qualifying candidates and/or races in the Marietta-Roswell Alumnae Chapter service area (Cobb County, Cherokee County, and portions of North Fulton County, Georgia). For additional or updated information, please visit the candidate’s website, the Elections Division of the Georgia Secretary of State, etc. This document is for informational purposes only. This document is nonpartisan without party affiliation, bias, or designation and does not constitute endorsement, recommendation, or favoring, of any kind, by Delta Sigma Theta Sorority, Incorporated, Marietta-Roswell Alumnae Chapter, or otherwise.

## About Marietta-Roswell Alumnae Chapter of Delta Sigma Theta Sorority, Inc.

The Marietta-Roswell Alumnae Chapter (MRAC) of Delta Sigma Theta Sorority, Inc. was chartered February 22, 1986. MRAC is a service organization with programming addressing the diverse needs of the communities we serve, including, but not limited to, college scholarship programs for young women; educational program for girls ages 9-18; an economic summit and health fair; and programs focused on social action and political awareness and involvement. With a membership of more than 800 college-educated women, we strive to embody the core principles of Sisterhood, Scholarship and Service by planning and executing programs and events that make an impact in Cobb, North Fulton, and Cherokee Counties.

| <p><b>Student Loan Debt Crisis</b></p>                  | <ul style="list-style-type: none"> <li>▪ Student loan debt has reached astronomical levels in the U.S., with 44.2 million Americans carrying an estimated \$1.48 trillion in education debt. The average class of 2017 graduate left school with \$39,400 in student loans. The financial burden of student loan debt falls heaviest on women and people of color. According to an analysis by the American Association of University Women (AAUW), women own nearly two-thirds of student loan debt in the U.S., totaling almost \$900 billion. According to the National Center for Education Statistics, 86.8 percent of black students borrow federal loans to pay for attendance at four-year colleges and are more likely to graduate with higher levels of debt than white students, and they’re also more likely to default on their loans.</li> </ul>                                                                                                                                                                                                                   |
| <p><b>Voting Rights</b></p>                             | <ul style="list-style-type: none"> <li>▪ Incentivize nonpartisan redistricting</li> <li>▪ Enforce laws against racial gerrymandering and other practices and procedures that inhibit the right to vote</li> <li>▪ Restore and expand the protections of the Voting Rights Act</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
